

SOCIAL MEDIA PERMISSION SLIP

The Honey Bee Social (Website, Facebook, Instagram etc.) is a tool to communicate with school families, teachers, prospective students, and the larger community. To enhance this experience we would like to use photos to show student involvement in various activities. We understand the importance of cyber safety and will never post a student's name with a photo.

In order for student's images, work examples, or names to appear on social media and website, it is required that we obtain parental permission. Please fill out the following from acknowledging your preference.
